Couple Hurt In Accident

A Reserve, La., couple was seriously injured Tuesday morning when their car collided with a large truck on Highway 90 in front of Blossman Gas Co.

In serious condition in Ochsner Foundation Hospital in New Orleans is Mrs. Paulette Pemoudet, 39, who received a broken leg and is totally paralyzed as a result of the accident. Her husband Ted Pemoudet, who was driving the car, has a fractured neck, cracked vertebrae and lacerations.

The driver of the truck, Woodrow Smith, 54, of Colt, Arkansas received no injuries. According to Mississippi Highway patrolman Clyde Hester, the car was driving west on Highway 90 when the truck made an improper turn in front of the auto. The driver was ticketed with making an improper turn.

City Schools To Conduct Program

The Bay St. Louis School District will carry on a summer program this year through Title I, ESEA for the benefit of those children who need extra attention in order to achieve at the proper level.

The elementary program will consist of kindergarten classes, remedial reading, and remedial arithmetic. All classes will be conducted at North Bay Elementary. Students residing in Waveland will be furnished transportation from Waveland School to North Bay each day. Any student eligible to begin school in September of this year may attend the kindergarten classes. Only students with recommendations from their teachers may attend the remedial classes.

The junior high program will consist of sewing classes, industrial arts, and remedial reading. These classes will be held at Bay Junior High and are open to any student desiring to participate.

The only program open to senior high pupils will be remedial reading at Bay Senior High.

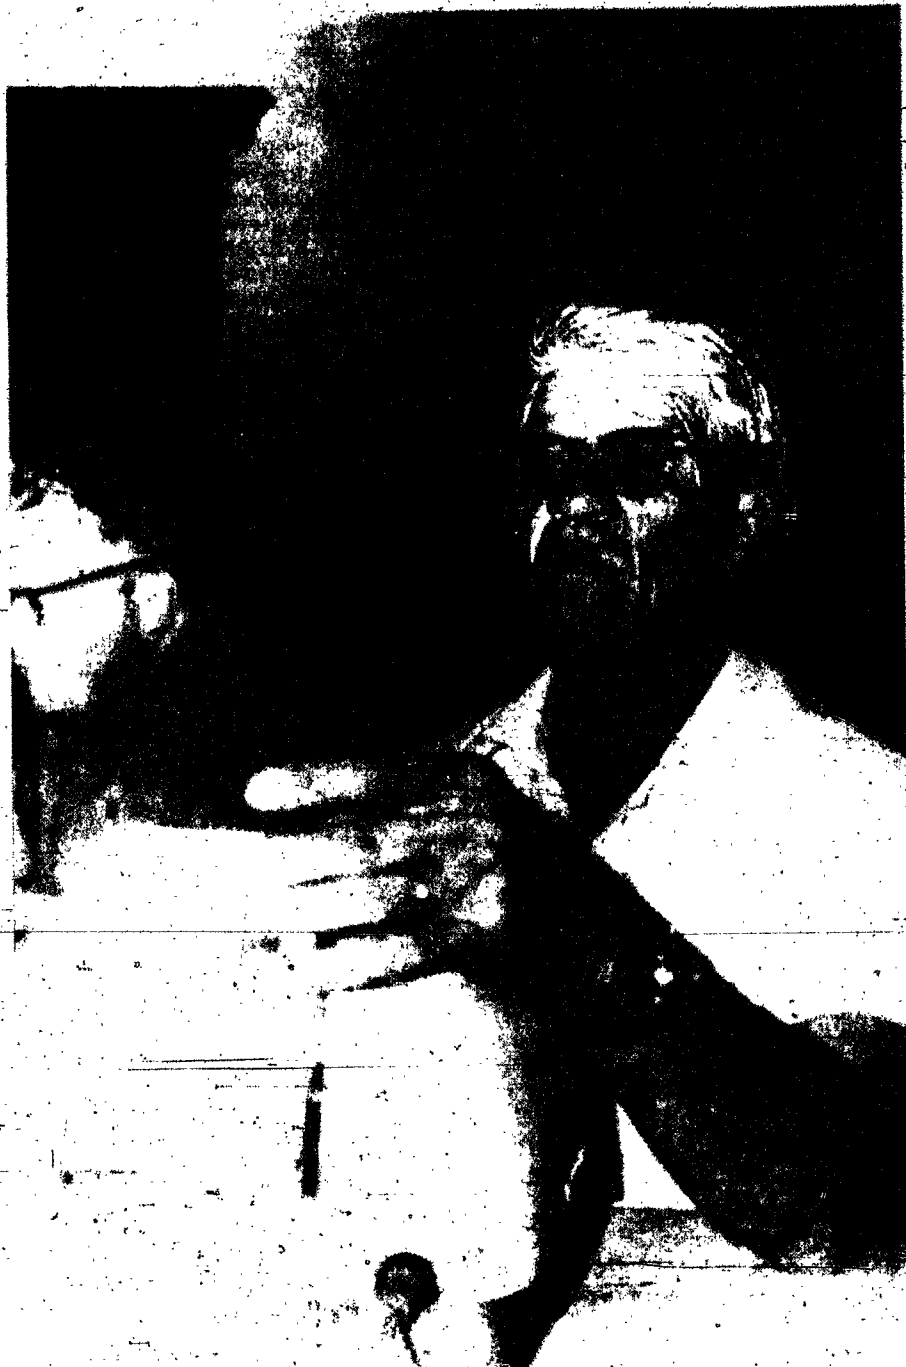

All classes will meet from nine to twelve each morning. Registration for all classes will be held at 9:00 A.M., June 12. The bus from Waveland will leave Waveland School at 8:40 A.M. each day beginning June 12. The program will end August 4. All elementary children will be served a mid-morning snack each day.

JUNIOR POLICE
Junior Police Association meeting will be Saturday at 10 a.m. at the police station in the Valena C. Jones building.

READING PROGRAM
Registration for Title I Reading Program at Bay Senior High will be held June 12 at the school. The session will end August 4.

Beach Road Ahead Of Schedule--Breland

Beach road construction is running ahead of schedule according to project contractor Don Breland.

Breland met with the Board of Supervisors Tuesday morning to try and iron out some of the problems incurred on the project.

A point of contention was the

ticketing of trucks with out-of-state tags. Sheriff Sylvan Ladner, who was also at the meeting, told Breland that he would continue to ticket trucks with "not only Louisiana tags but with any tag other than Mississippi". Breland referred to an incident April 18 when the

sheriff's department stopped trucks from working on the project because they had Louisiana license plates.

Ladner pointed out that he was enforcing state law and would continue to do so. "In fact, I just caught two trucks working for the city of Bay St. Louis that had Alabama tags... they've been working for the city for 14 months."

Breland then asked for the cooperation of the supervisors in helping him to complete the project. "We are planning to move the fill dirt to the North Beach area today and despite some difficulty, we are running ahead of schedule on the project," Breland concluded.

Three bids were submitted by local insurance agencies to cover the county's proposed workmen's compensation plan which would cover road maintenance crews. Low bidder was Hancock Insurance Agency with \$4,712. Merchants Insurance bid \$9,958 while Coastal Insurance submitted a bid of \$9,036. Mrs. Margaret Shadoin, manager of Hancock, had stated that the money could be paid with a sixty percent down-payment and the rest paid quarterly. The board did not agree with this arrangement and tabled any action until they could meet with Mrs. Shadoin next Monday.

The board also passed a resolution proclaiming June as Dairy Month in Hancock County.

Echo Takes Press Awards

The Sea Coast Echo received two awards Saturday in the Better Newspaper Contest sponsored by the Mississippi Press Association.

The awards included Honorable Mention in the General Excellence Category and Honorable Mention for the Best News Picture.

The award for general excellence was based on the Echo's news content, photography, page makeup, editorial page, advertising and production. In presenting this award, the judges commented, "Overall, your newspaper is very news conscious and community betterment conscious."

The photo of the explosion in November, 1971 at the Shell Oil Company in Bay St. Louis received Honorable Mention in the Best News Picture, weekly division. The judges called the picture, taken by staff writer Adoree Shortle, "an excellent example of spot news."

The awards were presented during the 106th Annual Convention of MPA held over the weekend in Biloxi. Echo news editor Marileen Maher and Mrs. Shortle accepted the awards for the Echo.

Voter Turnout Light In Tuesday's Primary

Stone Carries County

Hancock County Democrats favored Senator Ben Stone of Gulfport in his bid for Fifth District U.S. Representative by giving him a lead of 85 votes over Biloxi Mayor Daniel Guice.

With the exception of one Pearllington box, the voting went this way in the representative's race: Stone, 670; Guice, 575; Bill Andrews, 224; Howard Patterson, 224; Robert D. Ladner, 205; Luther Patton, 169; Charles Blackwell, 167; Stone Barefield, 42; Frank Barber, 25; and Marby Penton, 21.

Local attorney Cornelius Ladner won support in this area for Chancery Court Judge, eighth district, place one. However, Wiggins attorney Roy B. Strickland was expected to take first place in this race, followed by J.S. Echo.

Morris. Unofficial totals are Ladner, 1382; Strickland, 764; Morris, 283; and Kelly McKoin, 53. The eighth district is composed of Hancock, Harrison and Stone counties. The vote count was locked inside of one Pearllington box and will not be opened until today.

Incumbent U.S. Senator James Eastland captured 1,984 votes in Hancock County against Taylor Webb, 218 and Louis Fondren, 111.

In the race for Supreme Court Judge, Harry G. Walker carried Hancock with a total of 1,231 votes. Darwin Maples was second with 754 with Matthew Harper Jr. capturing only 233 votes.

Voting was light in Hancock County and Circuit Clerk Lamar Otis had concluded all unofficial election returns by 8:10 Tuesday night.

Complete and official returns and a list of runoff candidates will appear in next week's Echo.

GOP Has First Area Primary

Trent Lott, administrative assistant to retiring Congressman William Colmer, won Hancock County GOP approval Tuesday, in the first Republican Primary for U.S. Representative, fifth district. Unofficial returns show Lott with 218 followed by Paul Grady and Charles Klumb, both with 21 votes each; and Karl C. Mertz, 21. Gil Carmichael had a total of 242 votes—to defeat James Meredith for GOP nominee in the race for U.S. Senator. Meredith's total was 23 votes. The total number of voters who voted in the GOP primary is unofficial but will be announced at a later date.

Cause Of Ingram

Fire Still Unknown

The cause of the fire which occurred at Ingram Industries May 24, is still undetermined despite intensive investigation by representatives from the Department of Labor, Department of Defense, the U.S. Treasury Department, and Ingram management according to an announcement by Ingram officials.

In view of the fact that investigations which began on May 25 are still continuing, the management of Ingram Industries has decided not to resume full scale operations until more conclusive information is available.

Mississippi Power Company Petitions For Rate Increase

Mississippi Power Company announced last Friday that it has petitioned the Mississippi Public Service Commission for rate adjustments which will produce an estimated \$2.8 million in annual revenues.

This increase will amount to approximately 4.3 percent and is not in excess of the guidelines established by the Price Commission pursuant to

the Economic Stabilization Act of 1970 and Presidential Executive Order Number 11627.

A. J. Watson, Jr., company president, said, "The vast majority of the company's residential customers will receive an increase of between one to three cents per day. Even under the proposed rates, the average cost per kilowatt-hour to residential customers will be below the national average by approximately 12 percent. Commercial and industrial customers would be increased approximately 5.39 percent and 3.97 percent respectively."

Watson stated that the proposed rate adjustments are necessary because costs of operation, material, supplies, and labor, have continued to increase substantially.

"Interest rates on borrowed capital continue at a high level, and there are no indications that such costs will decrease in the future," he explained. In September of last year, \$8.4 million of Mississippi Power Company's first mortgage bonds, bearing interest at 3.18 percent, matured and were paid in 1971 with proceeds from securities issued at a rate of 8.44 percent. An issue of \$25 million of first mortgage bonds, issued on April 12, 1972, bore interest rate of 7-5/8 percent.

Watson emphasized that in order for Mississippi Power Company to meet increasing demands for electric energy in its service area and to provide acceptable standards of reliability, the company of necessity must continue to construct new generating units, lines, and substations, for which large amounts of both new debt and equity capital will be required.

"Mississippi Power Company expects to spend some \$140 million for construction in the three years 1972-1974, of which approximately \$60 million will be necessary in 1972 alone," he stated. "Mississippi Power Company's present level of earnings are insufficient to enable the company to attract in sufficient amounts and on reasonable terms the capital necessary to carry out these programs."

"The company has always been aware of its responsibility for the protection of the environment and has taken every feasible step to insure that its operation did not pollute the air and water of those areas in which generating plants and other facilities are located. However, large expenditures will be required for additional equipment necessary to meet the increasingly severe environmental standards being imposed on new and existing generating units. The addition of this equipment will substantially increase the company's investment in and operating cost of each unit, but will produce no increase in revenue. Construction costs for these necessary environmental safeguards can be adequately financed only through increased rates."

Watson continued, "Mississippi Power Company diligently seeks to render the highest quality service at the lowest possible cost. A long history of rate reductions prior to 1970 attests to this objective. Continued increases in the cost of money, labor, materials, and supplies, all of which contribute substantially to mounting construction, operation, and maintenance costs, in addition to costs necessitated by requirements to comply with more stringent environmental standards, leave us no alternative but to seek this increase in revenue."

Mississippi Power Company, with headquarters in Gulfport, operates in 23 counties of southeast Mississippi and is a member of The Southern Company System.

Corner drugstores. A cold drink after school. Bare feet on cool tile floor. Ceiling fans and penny candies. All warm memories of Bay St. Louis as it used to be when De Montluzin's Beach Drugs, Trapani's and Manieri's were all on the beach.

What the ravages of the elements have not been able to accomplish, pressures from a faltering economy may one day force everyone to "move to the highway" leaving downtown Bay St. Louis to time and neglect.

AWARDS GIVEN
Miss Ollie M. Lewis, of Bay St. Louis, an elementary teacher in the Harrison County School System, has been awarded two certificates. The certificate of appreciation was awarded by the office of the County Superintendent of

Education in recognition of the valuable and outstanding services rendered to the school system in the successful promotion of the educational process for the children of Harrison County. She has also been nominated to appear in the 1972 awards volume, "Outstanding Elementary Teacher of America." This award is given only to recognize the achievements of the nation's finest elementary teachers. This nomination marks her as a truly exceptional teacher

devoted to the highest principles of education.
POGY BOATS
L.J. Fountain of the Mississippi Marine Conservation Commission would like to remind all Hancock County residents that pogy boats must be one mile from shore not two miles. According to Fountain, a number of complaints have been registered against the pogy boats but he emphasized that the distance of one mile is set by state law.

Graduation Held At St. Clare

Twenty boys and girls received diplomas last Wednesday in St. Clare School's fifth annual commencement exercises which took place at evening mass in St. Clare's Church, Waveland. Six nursery school students and 22 kindergarten students also were graduated from their respective classes in a separate ceremony last week. The eighth grade recipient of The Father Costello Award, given each year to that student who scores highest on the high school placement test, was Jo Ann Bourgeois. Reggie Fayard and Debbie Stoufflet received the American Legion's awards for leadership, scholarship and citizenship.

Special ribbons for effort during the past school year went to Harvey Wagner, Madonna Peterson and Debbie Stoufflet. Miss Peterson also received an award for Special Service for the time and effort

she devoted to St. Clare's during her eight years of schooling there.

Conduct awards for excellent deportment during the school year were presented to Jo Ann Bourgeois, Theresa Wilkinson, Sharon Wilson, Debbie Stoufflet and Madonna Peterson. Tommy Longo, Harriet Lynch, Felice Mollere, Madonna Peterson, Kim Stieffel, Debbie Stoufflet, Scott Vogt, Harvey Wagner, Theresa Wilkinson and Sharon Wilson also received certificates of Perfect Attendance for the 1971-72 school year.

In remarks during the awards presentation, Sister M. Ruth, O.P., principal of St. Clare's made special mention of five eighth graders, Jo Ann Bourgeois, Harriet Lynch, Madonna Peterson, Debbie Stoufflet and Felice Mollere, who have been students at St. Clare's since its beginning and were among its first first-grade class in 1964.

Eighth graders, their parents, friends and teachers were entertained at a reception, honoring the graduates in Costello Hall immediately following the graduation.

Eighth graders graduated were Barbara Ann Barkley, Barbara Jean Bostick, Jo Ann Bourgeois, Otto Bourgeois, Jr., Cheryl Ann Caro, Reginald A. Fayard, David K. Handshoe, Harriet Ann Lynch, Madonna Grace Peterson, Daniel A. Ray, Wanda Victoria Henley, John Thomas Longo, Deborah Ann Stoufflet, Felice Genevieve Mollere, Herbert L. Stieffel, Kimberly Elizabeth Stieffel, Scott P. Vogt, Harvey A. Wagner, Theresa Ann Wilkinson and Sharon Ann Wilson.

Mrs. Anne Shippey's kindergarten class presented a special program, "We Know Our Stuff" for the seventh annual kindergarten commencement which took place Thursday evening in Costello Hall.

A WAY OUT
A good many people slave to keep from thinking, while others think to keep from slaving.

The program, in honor of St. Clare's principal Sr. Ruth, included representatives from each of the school's kindergarten classes from 1964 through 1972. Felice Mollere, an eighth grader, represented the kindergarten teacher. "Students" were Kathy Fayard, 66; Michael Cure, 76; Patty Wagner, 47; Karen Fayard, 68; Ellen Lynch, 66; Terence Asher, 70; and Chris Bermond, 71. Representing the class of '72 were Nancy Gex and Julie Ann Shippey, who presented Sr. Ruth with a bouquet of red carnations.

Diplomas were presented by the Rev. Dan Walton and Msgr. John Scanlon, pastor of St. Clare's. Following the exercises, the children were entertained at a party in their classroom while parents and friends enjoyed a social in the parish hall.

Kindergarten graduates were Ronald L. Brelard, Jr., Larry K. Givens, Jr., Kirk Allen Ladner, Joseph Lizana, Don Juan Lozano, Vincent A. Schott, Armand H. Serpas, Daryl Voce, John Passantino, Richard Goetz, Joseph Everett, Bobbi-Jo Bradshaw, Tracy Butsch, Jacquelyn Calamari, Tiffany Ann Davis, Nancy H. Gex, Donna L. Holzhauser, Bridgette Karl, Judith L. Peterson, Sandy Lynn Reynolds, Julie Ann Shippey and Kelly Ann Zitterkopf.

Six nursery students, under the direction of their teacher Mrs. Corinne Bontemps, presented a graduation program "Wonderful Things!" The young graduates were Victor Bermond, Timmy Fayard, Karen Felder, Mary Ann Shippey, Kelli Tartavouille and Burt Von Antz.

MEC Honors Star Student

The Student-teacher Achievement Recognition (Star) Awards have been presented at Hancock North Central High School. Arthur L. Wood (son) of Mr. and Mrs. Leo Wood was named Star Student. Arthur is an honor student and plans to attend Pearl River Junior College and then Ole Miss to study law.

J. Homer Williams was named Star Teacher. James Voivedich, principal of the high school, presented the awards. He said that the Star Student was one of the two students who scored highest on the American College Test, and having the higher scholastic average during the first semester of the senior year.

The Star Teacher was chosen by Arthur Wood as the teacher who made the greatest contribution to (his) scholastic achievement.

Mr. Williams was also named STAR teacher last year; he teaches Chemistry and Science.

The Star Awards were symbolized by framed certificates and signed by MEC President Joseph Dale of Prentiss and R. B. Lampton of Jackson, chairman of the MEC Education Committee.

The purpose of the MEC project, under the direction of the Education Committee, is to emphasize the importance of scholastic achievement and to encourage greater effort in this direction by Mississippi students; and to honor the teaching profession.

Benton Cain of Jackson, chairman of the special Star Committee, reports that approximately 220 Mississippi high schools are participating in the program which is in its seventh year of operation.

Our readers write

The recent elections have
once more brought forth
placards and posters many of
which have been posted along
public rights-of-way.

Within the City of Bay St.
Louis, this is in violation of City
Ordinance Section 11 - 2 (19).
We respectfully suggest that
all candidates inform their
workers of this fact and see
that their signs are only placed
on private property.

Bay St. Louis has a con-
tinuing clean-up and
beautification program which
is enthusiastically supported
by most of our citizens. We
believe that the people of our
town would greatly appreciate
all of the candidates respecting
their wishes in this matter as
legally defined in the above
ordinance.

Yours very truly,
Bay St. Louis
Cleanup and Beautification
Committee
Mrs. H.L. Robinson
Chairman

Dear Sir:

Just couldn't resist favorable
greetings towards your
Editorial entitled, "Who's To
Blame?" Ever hear of that old
time remark, "There's
something 'decomposing' in
Denmark"? Well "decompos-
ing" isn't the word, they
used then. (It hasn't a gentle
sound.) but it means the same.

Well I think that could apply to
what happened in that tragic
explosion in Hancock County
recently. Far too many of such
events are taking place all over
the U.S.A. and the world. The
subversive culprits won't cease
their terror tactics, until they
accomplish their One World
Government goal. God forbid
their succeeding.

Before closing, I must
compliment the letter by Bob
Glover.

The deal he writes about, can
be expected of most politicians.
Wait till sewerage comes, we
shall get more of the same,
even worse. I went thru it all in
Bay St. Louis. It was a torture,
believe me; some of us,
couldn't sleep nights for the
water pump noise, going on
for weeks.

I'd like to recommend to Mr.
Glover the two books,
revealing a ray of light, upon
all this, and the startling in-
formation the grass roots
citizens, may not be aware of.
One is the "Naked Capitalist"
and the other, "None Dare Call
It Conspiracy," by Gary Allen.

I doubt if these books can be
found in our area libraries. The
trends of today makes this
obvious. There is a "Library
Bill Of Rights", of which I have
a copy, can be made attainable
for the American public in
their local libraries.

Mrs. Eleanor Everett McFie,
Waveland, Miss. 39576

That scrap of paper is really a record-breaking check for
\$8,600,000 which Mrs. Guido Pantaleoni, Jr., President
of the U.S. Committee for UNICEF, is handing to
United Nations Secretary-General Kurt Waldheim.
Watching the transaction are UNICEF Executive Di-
rector Henry R. Labouisse and (in front) Betty Ho, 9,
and Laurentina McKetney, 10, representing the millions
of American youngsters who helped collect coins for
UNICEF last Halloween. Other income from the 1971
sale of UNICEF Greeting Cards and thousands of indi-
vidual gifts enabled the U.S. Committee to increase its
annual contribution to the United Nations Children's
Fund by nearly 10% over the previous year's record
turnover.

Tips To Veterans And Dependents

PREPARED BY CHESTER CURVEY HANCOCK
COUNTY VETERANS SERVICE OFFICER

The monthly rate of
Dependency and Indemnity
Compensation payable to a
widow or parent can now be
increased by \$5.00 if such
widow or parent is in a nursing
home or is so nearly helpless or
blind as to require regular Aid
And Attendance of another
person.

Widows of deceased
Veterans, who have remarried,
and their second marriage has
ended in either death or
divorce, may be entitled to
draw either widows com-
pensation or death pension,
whichever is applicable, from
the death of their first husband.
In the event both husbands
were Veterans the widow has a
choice of the higher of the two
VA benefits.

A dependent husband or

widower of any female
Veteran, incapable of self
maintenance and who is
permanently incapable of self
support, due to a physical
disability, is eligible to receive
the same benefits as a widow
or wife of a Veteran would
receive. The disability must
have been apparent at the time
of the Veterans death.

A Veteran is entitled to a
V.A. pension when it is
determined that he is totally
and permanently disabled.
This means that he must be
suffering from a "disability
which is sufficient to render it
impossible for the average
person to follow a gainful oc-
cupation. Special con-
sideration is given to a Veteran
who has a disability rated less
than total, but which renders
him unemployable. A Veteran,
aged 65 or over, having a single

disability rateable at 10 per
cent or more may be eligible
for pension. Pensions are not
based on age alone but on
income.

A Veteran who is presently
receiving a pension may
qualify for an additional \$14.00
per month if he is
"Housebound" or an additional
\$110.00 per month if it is
determined by Doctor that he
is in need of regular "Aid and
Attendance" due to his
physical condition or is blind or
severely blind that he has 5-200
visual acuity or less in both
eyes.

All recipients of V.A. benefits
are reminded that these checks
cannot be attached or taxed,
nor can they be assigned ex-
cept to the extent specifically
provided by law, except when
there is indebtedness to the
U.S. Government.

OUR HEALTH

By C. H. Tracy, M.D.

I recently heard a woman
say that she was "partially"
color blind. Does this mean
that she can distinguish colors
better at some times than at
others?

No. Color blindness is the
total or partial inability to dis-
tinguish or recognize chromatic
colors. Partial color blind-
ness (dichromatism) is the
usual form. It may be "red-
green" blindness, when these two
colors appear gray, distin-
guished as deuteranopia, or
green blindness, when the
brightest part of the spectrum is
the normal yellow or as
protanopia, or red blindness,
when the brightest part is the
normal yellow-green, and the
red end of the spectrum is
not seen at all. In blue-yellow
blindness, or tritanopia when
these colors appear gray while
red and green, or blue-green,
are distinguished. The second
type is very rare in total
color blindness, (achromat-
opia or monochromatism)
all colors appear as grays.

I am a gardening buff, and
spend a great deal of time
outdoors tending my plants
and flowers. What is the likeli-
hood of my contracting skin
cancer from long exposure to
the sun?

A recent study in the state
of Hawaii showed that chronic,
cumulative sun exposure can
lead to premature aged skin,
precancerous and skin cancers.
Long exposure to solar radia-
tion can cause the skin to
show signs of aging, wrinkling,
dryness, itching, telangiectasis,
keratosis and fac-
cidity.

Next to avoiding sunlight
completely, experts believe an
effective, usable sunscreen

should prevent sun-induced
skin cancer and premature ag-
ing of the skin. Tests have
shown that an alcoholic solu-
tion of para-aminobenzoic
acid (or PABA) is an effective
sunscreen, which absorbs in-
to the stratum corneum and
acts as a reservoir of protec-
tion against the sun's harmful
rays. PABA is now available
commercially in a product
called PreSun. For your gar-
dening, you should try to com-
plete your tasks early in the
morning before the sun reach-
es its peak hours of 10:00 a.m.
and 2 p.m., wear a wide
brimmed sun-hat and long
flowing sleeves, or always
protect your skin with a sun-
screen such as PreSun. PreSun
is especially comfortable to
use as it sinks into the skin
and seems to be invisible while
in use.

CLASS REUNION

Bay Senior High Class of '62
will hold a ten-year reunion
July 3 at Trapani's on Highway
90. The time is 7 p.m. and

refreshments, music, prizes
and entertainment will be
provided. The cost per couple
is \$12 and the dress will be
semi-formal.

DEATHS

SYLVAN MORAN

Sylvan S. Moran, 81, of Kiln,
Miss., died June 2 at his
residence. Born August 20,
1890 in Kiln, Mr. Moran was the
son of the late Paul and
Sylvania Dubuisson Moran.
Survivors include a
daughter, Mrs. Eunice Henley,
Kiln; a brother, Sylvester Moran,
Orange Grove, Miss.; two
grandchildren and two great-

grandchildren.
Funeral services were held
from the residence of his
daughter at 3 p.m. Sunday
followed by religious rites at
Annunciation Catholic Church,
Kiln. Interment was in Bayou
Coco Cemetery.
McDonald funeral Home,
Piquette, was in charge of
arrangements.

Trumpets In The Morning

by Perry D. Neal, Pastor
First Baptist Church, Bay St. Louis

WISHBONES - JAWBONES BACKBONES

The body is made up largely
of bones - about two hundred of
them classified according to
shape. Your church is also
made up of bones, classified
according to use. There are
three kinds. First, WISHBONES.
You know this kind. They wish
for greater things in the
church. They wish for success
in the Sunday School. They
wish for larger attendances.
They wish for more souls to be
saved. Wishbones? They're
lazy. They're languid. They're

listless. The only things they
deny themselves of are work
and effort to make their wishes
come true. Rocking-chair
Christians! Drawing room
Christians!

Then there are the
JAWBONES. Nothing slow or
listless about this kind. They
work up and down at great
speed. They criticize. They
gossip. They pick flaws. They
tell how it should be done. In
their wake follow dissension,
discouragement and disease.
Verily, it taketh a Samson to
handle this class and turn them

to some good use!
But the third class is the one
we like to think of - they are the
BACKBONES. There is work to
be done; the Backbones do it.
There is a healthy target to
raise; the Backbones raise it.
There are meetings to attend;
the Backbones are there. O
Backbones - if we were poets
we would write about thee! If
we were singers, we would
chant thy praises! If we were
artists, we would paint thy
lovely likeness! But being only
ordinary humans, we can only
love thee!
STRAIGHT AHEAD!!!

From Backhoe To Bach

RACINE, WISCONSIN -
Can the nimble fingers of a
violin virtuoso find peace and
prosperity in the operation of a
non-aesthetic but very practical
construction machine? Be-
fore you shake your head, con-
sider Norm Gudmundson of
Milwaukee, Wis.

Five years ago, Norm moved
to Milwaukee from Waukegan,
Ill. to take a job as a violinist
with the Milwaukee Symphony
Orchestra. But since the posi-
tion included employment for
only 42 weeks of the year, with
an average of about 20 hours
of practice and performance
per week, Norm also wanted
part time work to utilize his
free time as well as supple-
ment his income. And for the
extra dollars he needed, he
turned to construction.

Construction? Right. And
now with over four years of
experience as an owner oper-
ator, Norm has developed his
virtuosity on a Case Construc-
tion King model 530 backhoe/
loader, a tractor designed to
handle trenching, backfilling
and loading.

Initially, he requested finan-
cial and operational instruc-
tion from Engine Power, Inc.,
the Case dealer in the area.
After several months of close
dealer contact, Norm was
ready to go to work. But jobs
came slowly and his patience
was stretched. Again, Engine
Power helped out with several
job leads and, with the estab-
lishment of his reputation,
Norm began to pick up the
referral business so vital to
the success of any owner-op-
erator type firm.

After months of trial and
error, Norm reached the point
where his machine - and his
newly developed ability - en-
abled him to not only make
the payments on the Construc-
tion King but also to provide
the additional income needed
by a member of a metropol-
itan symphony orchestra.
Now, after four construction

seasons, Norm has nearly paid
for his equipment - the back-
hoe, a 1967 tandem dump
truck, and a trailer; and he has
enough work to keep himself
busy during the symphony's
off-season. He specializes in
swimming pools, foundation
excavations and open trench-
ing. Working with several re-
modeling contractors and
some residential builders,
Norm finds these prime con-
tractors to be the mainstay of
his business.

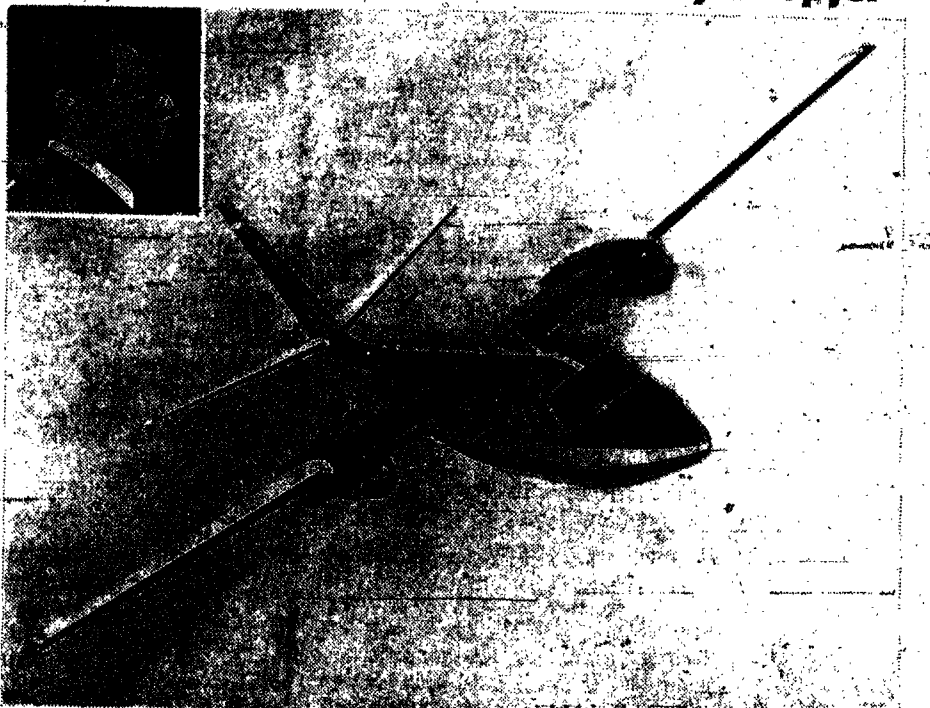

Before Norm Gudmundson
expanded his interests from
Bach and Beethoven to the
backhoe, he was a long 38
year love affair with classical
music. Beginning as a violin
student at the age of eight, he
played in any orchestra and
string group that would have
him. His abilities are borne
out by his engagements with
the Chicago Civic Orchestra
for two years, a four year so-
journ with the Denver Philhar-
monic Orchestra, ten years as
concert master at Waukegan,
and now five years with the
Milwaukee Symphony.

While Norm still maintains
and improves his musical abil-

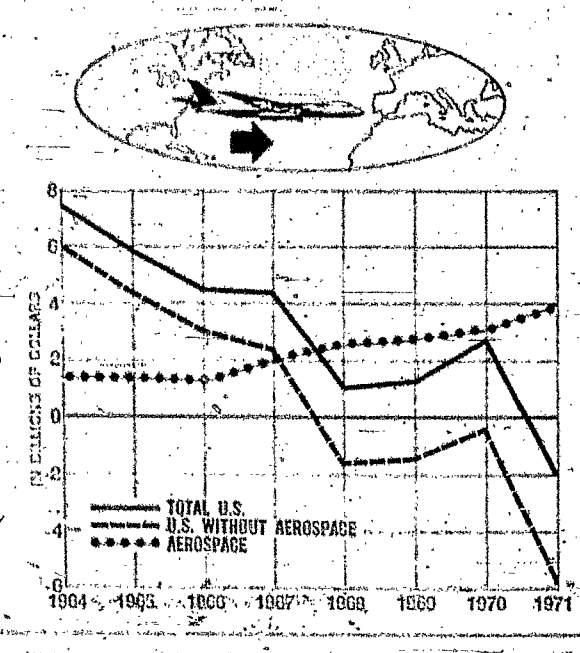

ities, he also enjoys the ex-
citing business. He explains
that it gives him a refreshing
and profitable sideline and
keeps him alert and active.
Since no two jobs are alike,
boredom is no problem. Norm
especially likes the operation
of the backhoe and its hydro-
lic controls. In fact, he notes
that his need for concentrat-
ing on his music is enhanced
by the development of his pow-
ers of concentration on the
Construction King.
Operating a backhoe can
help with your performance
as a fiddler! Sure, just ask
Norm Gudmundson.

World Speed Records Claimed By Propjet

Two world class speed records have been claimed by the new North American
Rockwell Turbo Commander 690, twin propjet business aircraft. Flying a
straight line course from Los Angeles to Phoenix, the 690 covered the 357 statute
miles in 56 minutes 38 seconds at a speed of 380 mph. A crowd gathered
(lower right) to watch the Commander 690 ready for take-off on the second
record flight. Flying a triangular closed course of 507 Kilometers (317 statute
miles) the aircraft recorded an average speed of 343 mph. An enthusiastic sec-
retary greeted world record pilot James L. Badgett, president of Soltek Inc.
(lower left) upon completion of the two flights. He was accompanied during
the flights by a representative of the National Aeronautic Association who
sanctioned the flights.

U.S. BALANCE OF TRADE 1964-1971

What does high-technology industry contribute to the
United States?

The record of the U.S. aerospace industry indicates
what the development and sale of aircraft, missiles,
spacecraft and associated components and equipment
have meant to the U.S. from a trade standpoint.

The United States closed 1971 with a foreign trade
deficit of more than \$2 billion. It was the first calendar
year deficit since 1888. It hadn't been for increasing
aerospace sales we would have registered an annual
deficit beginning in 1968.

ORDER OPENING SHRIMPING SEASON

By virtue of the authority vested in the Mississippi Marine Conservation Commission under the provisions of House Bill 512 of the Regular Session of the 1960 Mississippi Legislature, and amendments thereto, and accordance with the procedure set forth in Ordinance No. 47 of this Commission, and upon written recommendation of the Marine Biologist of this Commission, the Mississippi Marine Conservation Commission does hereby declare and order that:

The waters under the jurisdiction of this Commission 1/4 mile South of the shoreline from the Alabama line to the Louisiana line, except the Biloxi Bay area North of the line beginning at the Biloxi Light House, and running Southerly to the Biloxi Channel Beacon No. 10, thence Easterly to the West end of Deer Island, thence Easterly along the North Shore of Deer Island to Grand Bayou, thence Northeasterly to Marsh Point at the Mouth of Davis Bayou, are hereby declared and ordered open at 12:00 Noon on June 14, 1972, for shrimping as provided by law and the regulations of this Commission.

Double Rigs are prohibited North of the outlying Islands. One trawl limited to 50 feet and one twelve-foot try net are permitted North of the outlying Islands.

It shall be unlawful to catch or have in possession shrimp that count more than 68 to the pound, except Live Bait Dealers who are permitted to catch live bait shrimp counting 100 to a pound or less.

All regulations set forth in Ordinances of this Commission are to be in force and effect.

All boats catching or transporting shrimp must be licensed before beginning operations.

It shall be unlawful to wash or tow nets in areas closed to shrimping.

This order will take effect and be in force from and after 12:00 Noon on June 14, 1972, and the Executive Secretary of this Commission is hereby directed to make publication of this order on time in a newspaper or newspapers having general circulation in the Counties affected by this order as provided by law.

Ordered, this the 30th day of May, 1972.

Lakeshore Couple Celebrates Anniversary

Mr. and Mrs. Wesley Ladner of Lakeshore were honored with a reception Sunday afternoon at their home hosted by their children on the occasion of their 50th wedding anniversary.

The couple renewed their marriage vows with Rev. R. Crawley, pastor, Lakeshore First Baptist Church, officiating.

Attending the couple were Mr. and Mrs. David Ladner of Bay St. Louis. Mrs. Ladner was maid of honor at the wedding June 6, 1922 and the late Ed Ladner served as Mr. Ladner's best man.

Arrangements of carnations and gladioli decorated the reception room. The table, overlaid with a white and gold cloth, was centered with a three-tiered cake decorated with white spun sugar roses and gold leaves.

Mrs. Ladner received their guests wearing a blue crepe dress with matching accessories and a white carnation corsage.

The couple's children Mrs. John Lott, Mrs. Arlene Lizana, Mrs. Inez Garcia, all of Clermont Harbor, Mrs. Helen Carver, Bay St. Louis, J.V. and Ray Ladner, Clermont Harbor were at the reception.

Another son Chester Ladner of Waveland was unable to attend. Also with them were their 17 grandchildren and 10 great-grandchildren.

Bill Johnson and his band and Oris Ladner and son O. V. furnished music for the evening.

Approximately 150 relatives and friends called during the afternoon to extend their best wishes.

..... Sunshine Shop Leaving Beach

(Continued from page 1A)

This weekend, after 25 years in the same location on N. Beach, the Sunshine Gift Shop will move to the owners' home in Waveland. Why? Mrs. Jean Gleim, who owns and operates the shop with her husband Gordon, explains, "The condition of the beach road and the lack of customers coming on this part of the road makes it impossible for us to make a living here."

The portion of the beach road that fronts the Sunshine Gift Shop has remained unrepaved since Hurricane Camille in August, 1969. "People don't want to come this way because of the dead end at DeMontluzin St. And parking is such a problem in front of the shop that it is almost dangerous to even attempt coming here," Mrs. Gleim pointed out.

Although Breland Construction Co. is now in the process of repaving the road, Mrs. Gleim said that they cannot afford to wait any longer. "On a full day, we have twenty customers. And since people coming from the highway bypass us, there is just no solution," she said.

The shop opened on the beach in the spring of 1947. "We lived through that hurricane and we lived through the 1969 one," Mrs. Gleim boasted. Recalling memories of their 25 years selling their famous ice cream, sandwiches, cold soft drinks and finally gifts, "Mr. and Mrs. Sunshine," as they were known to many people in Bay St. Louis, remembered how the students from St. Joseph Academy and St. Stanislaus would fill the shop in the afternoon. "We have seen so many young people grow up, get married and have children of their own," they said. Mrs. Gleim also said that many times she would receive phone calls on Sunday morning from parents calling to tell "Johnny" or "Ann" to come home for dinner. It seems as though Sunshine was a very popular place after church services. "We love Bay St. Louis and would not want to be anywhere else. The people are wonderful and there is a feeling of mutual liking here," Mrs. Gleim continued. "We miss all the people who used to be here, like Trapani's, Anthony's, DeMontluzin's and the

A FAMILIAR sight to natives and visitors alike.

Manieris—all of them. But things are different now and we have to leave."

Mrs. Gleim blames the former board of supervisors and the city fathers for the delay on the beach road project. She also claims that there is no real effective force operating now which could unite the business community.

"I belong to many organizations but have never joined the Chamber of Commerce. I have never felt that the Chamber did a thing. I still

don't," Mrs. Gleim said.

The Gleims plan to open a small gift shop in their home on the corner of Terrace Ave. and Central. "I am very pleased with the new businesses and improvements on Coleman Ave. and look forward to being in Waveland."

When asked if there was a possibility that they would move back after the beach road is opened, Mrs. Gleim remarked, "Well, we own the building and I guess we might if things were better. Yes, we

might be back."

But will they? There has never been a realistic attempt to improve conditions in the downtown business area. There are no plans, very few ideas and just a sliver of hope.

Will things improve after the beach road is opened? Or will it be that ten or twenty years from now people will be pointing to vacant lots and saying, "Hancock Bank was right there" or "Remember when Mauffray's Hardware Store was here and next to it was..."

A PARISH FAMILY sea food dinner honoring Very Rev. Gregory Johnson, pastor Our Lady of the Gulf Catholic Church, was held Sunday evening at the American Legion Hall. Joseph Benvenuti, Parish Council President, served as master of ceremonies. Father was presented a purse and plaque from the Parish, by Michael Haas, left, a plaque from the Knights of Columbus and one from the Usher's Society in recognition of his 25th year in the priesthood. There were 442 Parishioners and friends of Father Johnson attending. Coming from New Orleans for the occasion were Father's brother and sister-in-law, Mr. and Mrs. John Johnson and family and his aunts, Mrs. Clare Broussard and Miss Hazel Johnson.

ECHO ERROR

In a story in last week's Echo it was stated that Sharon Ann Page, 19, Shoreline Park; James Wilkins, 28 and Martin Vaneerd, 22 both of Bay St. Louis; and Joseph Nelson, 20 of Waveland were arrested and charged with illegal possession of firearms. All were charged with possession of marijuana and Wilkins was also charged with illegal possession of firearms.

HONOR ROLL

Mikelle Tingstrom, a first grade student at St. Clare School, was named to the Straight A honor roll not the Alpha Honor Roll as reported in last week's paper.

AMERICAN LEGION POST 77 in Waveland sent three local boys to the annual American Legion Boys' State program conducted at Hinds Junior College. The delegates, from left to right, William Zimmermann, Joe Griffin Jr., and E.J. Toomey will participate in a program learning the operation of state and local governments. The program opened Saturday, June 3 and will continue for eight days. In addition to the American Legion, co-sponsors for the boys are the city of Waveland and the Waveland Civic Association.

Free Family Film Open To Public

A film credited as "unique in its capacity to reach out to meet the problems of people, will be shown, at the First Baptist Church, 141 Main Street, Bay St. Louis. The film is free and the general public is cordially invited to attend.

The full-length comedy-drama, filmed in Eastmancolor by World Wide Pictures, will be shown once at 8 p.m.

Filed entirely on location in Denver and the Colorado Rockies, is the story of Pete Harper, a family man and service station owner, who is knocked flat by unexpected problems, but finds the strength to stand up again, to face life anew.

The movie has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the perfect mixture—it's drama at its boldest, comedy at its lightest, and action at its liveliest. 'For Pete's Sake!' is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

Sampson, who also starred in World Wide's, Pippa Schott, as Pete's wife, Marge, is well-known for her Broadway appearances and numerous television roles. John Milford and Sam Groom are both familiar to television audiences.

Other featured players include Johnny Jensen as Pete's son, Irene Tedrow as Grandma Harper, and Nicolas Surovy as Skip, the leader of a motorcycle gang.

A cordial invitation is extended to all families of the community by Perry D. Neal, pastor, who has made

arrangements for this special showing.

Guy Hartness helps engineer enough phone service for a new city every year.

Guy Hartness, in Hattiesburg, is one of our engineers. He's part of our engineering team that plans and designs outside telephone facilities for south Mississippi. In business and residential areas. On farms. In mobile home parks. Wherever there's a need. It's a big job. Put together with what we're doing elsewhere in the state, it's almost like having to design a telephone system for a new Mississippi city with 27,000 customers every year. It takes time and money. Guy Hartness is trying to reduce both while improving the quality of service. So are Billy Harris and Jesse Hahn, Hattiesburg. Elton Bienvenue, Ronnie Rayburn and Billy Simpson, Gulfport. And the rest of our engineering team.

Nearly 7,500 Mississippi telephone people are hard at work on a record program of expansion and improvement.

Couple Plans July Wedding

MRS. RENE CURRAN

Curran-Lytell Vows Exchanged

Mr. and Mrs. John Thomas McCaleb of Bay St. Louis, announce the engagement of their daughter, Vickie Denise, to Alfred Louis Arnold, son of Mr. and Mrs. Carl Arnold, also of this city.

The bride-elect attended St. Joseph Academy, was graduated from Bay Senior High in 1970. She also attended Pearl River Junior College, Poplarville.

Mr. Arnold, a graduate of Bay Senior High, Class 1968, attended Jefferson Davis College.

The wedding will be solemnized July 1 at a Nuptial Mass at 11 a.m. in Our Lady of the Gulf Catholic Church.

St. Clare Catholic Church of Waveland was the setting Saturday May 27, for the wedding of Miss Pamela Lytell of Waveland and Sgt. Rene Curran of New Orleans, presently serving in the United States Army. The bride is the daughter of Mr. and Mrs. Herbert Lytell of Waveland. Mr. Curran is the son of Mr. Edward Curran of Boston, Mass. and Mrs. Hanns Larsson of Japan.

Reverend Daniel Whelton performed the double ring ceremony at 11 a.m. Mass.

The wedding music was provided by Mr. Jimmie Varnell. The bride entered the church escorted by her father. For her wedding Miss Lytell chose a gown of white satin with lace overlay skirt and jacket. Her veil floor length was held in place by a white velvet rose.

The bride's attendant was Mrs. Alice LaFontaine of Waveland, sister of the bride. The groom's uncle, Mr. Fredrick Chasoz of Shoreline Park, served as best man.

Immediately following the church ceremony a reception was held at the American Legion Hall in Waveland. The cake was made and cut by her aunt, Mrs. James J. Hall, Sr. of North Biloxi.

The bride will reside with her parents for three months at which time she will leave to join her husband who will be stationed in Germany.

Waveland Notes

By Mrs. Della Wendline 467-4984
Nick, Layne and myself have just returned from a week's vacation out West. We flew to Tucson, Ariz. and visited with son-in-law and daughter, Mr. and Mrs. Terry Bayka and little granddaughter, Trisha. While we were there, we drove to the Grand Canyon and spent a day and one night there viewing and enjoying the beautiful sights.
Welcome home, to friend, Betty Rose who has been on a long and lovely trip to Hawaii.

organist, accompanied Mrs. Donald Lea vocalist with a program of nuptial music.

The altar was beautifully decorated for the occasion with massive bouquets of gladioli and mixed pink and white spring flowers.

The lines of the church were decorated with English Ivy and white satin ribbons on each pew.

The bride was given in marriage by her father.

She wore white silk organza gown of Alencon lace and pearls shaped on elegant empire waistline.

The scalloped neckline featured re-embroidered Alencon lace blooms framed by pearls on the skirt and matching applique lace and pearls drifted along the fitted sleeves to sheer lace flounce. More lace and pearls were scattered along the A-line skirt which ended in cathedral train.

A lovely crown of flowers with delicate lace petals sparkling crystals and pearls held the veil of pure imported silk illusion that fell to finger tip and cathedral train. Her bouquet was pink and white sweetheart roses with stephanotis and baby breath.

The bride's honor attendants were Mrs. Richard Migell, Mrs. Arthur Lewis and Mrs. Carl McKay serving punch. Leroy Freeman of Mandeville, La. Also assisting with hospitalities were Mrs. Sam

The other bridal attendants were Mrs. Stanley Joseph Migell of Bogalusa, Mrs. Paul Fleming and Miss Sharon Messersmith of Baton Rouge, La. They wore long gowns of white and pink multi-colored flocked sheer dotted swiss, defining scooped neckline with tiny ruffles.

Robert U. Blum Jr. served as best man and the groomsmen were Michael Delery, Lawrence Le Bonn III, Raleigh Ohlmeyer, Ronald Malony, Mr. Michael O'Keefe was commentator, all of New Orleans, La.

Mrs. Frank Percy, Mrs. Lawrence Maloney, Mrs. Dan Graves, Mrs. Robert U. Blum Jr., alternating in serving the cake.

The groom's cake was attractive with L.S.U. Tiger and miniature duck hunter and ducks was served by Mrs. Claxton Knight.

The brides table was covered with white imported hand drawn cloth, with lovely arrangement in a low silver bowl, flanked by triple silver tapered. The two silver punch bowls were at either end of the table, with Mrs. Bill Freeman and Mrs. Marvin Johnson, Mrs. Arthur Lewis and Mrs. Carl McKay serving punch. Also assisting with hospitalities were Mrs. Sam

white carnation corsages. Music was furnished by Mr. John McGee of Slidell. The bride chose navy and red with white trimmed polyester suit complemented with red accessories, with white phalangees orchid corsage and Mrs. Raleigh Ohlmeyer. Later in the evening the couple left for wedding trip to Barbados, British West Indies.

POLLUTION CONTROL

takes NATIONAL DEDICATION

Ecology, like charity, begins at home. There are many things the average citizen can do about pollution. It takes understanding to know how we can help. It takes national dedication of all our citizens to curb the pollution plight.

Many concerned citizens, along with industry has joined the massive movement to "keep it clean, keep it green". Millions, even billions are being spent to solve our problem.

Be informed, read and study our environmental problems. Purchase products in returnable containers. Check your car frequently for excessive emissions. Plant a tree, avoid harmful insecticides. Buy low phosphate detergents. Walk more, use car pools.

Write your legislators and express your views. Become involved... it'll work!

People start pollution. People can stop it.

Red Cross Will Offer Leader Course

Residents of Hancock County
interested in becoming a Red
Cross instructor in First Aid,
Water Safety or Small Craft
will have the opportunity to do
so in the near future.

The Gulf States Division
Safety and Leadership
Academy will be held June 18-
25 at the University of South
Alabama, Brookley Complex,
Mobile, Alabama. The \$35
tuition fee will cover meals,
lodging and training supplies.

To participate in the In-
structor Programs, applicants
must be 17 years of age or over.
For young people 14 thru 16
years of age, the Academy will
offer a Youth Leadership

program.

In addition to sessions in
Community Involvement,
Community Resources and
Drug Abuse, all participants
will be trained as Instructor
Aides in First Aid, Small Craft
or Water Safety. Everyone
attending the Academy will
receive a course in Standard-
First Aid.

Those interested in attending
the Safety and Leadership
Academy are encouraged to
contact their local Red Cross
office in the county courthouse
or Mrs. L.L. Kergosien in Bay
St. Louis.

GOLDEN TOUCH OF HOSPITALITY

Use Sauce for Flavor Accent

Chefs the world over have often built their reputations on the excellence of their sauces. Salsa Criolla de Tomates is the creation of an Argentinian chef. It used ingredients almost everyone has on hand at all times.

As the name suggests, it has a tomato base. In addition, the flavors of mushroom, parsley and bay leaf go into it. The sauce is seasoned just right and thickened very lightly with a small amount of corn starch. It is good served with chicken, rice, beef and omelets.

- Salsa Criolla De Tomates (Parsley Tomato Sauce)
- 1 (1 pound 12-ounce) can tomatoes
- 1 (3-ounce) can mushrooms, drained and chopped
- 1 teaspoon chopped parsley
- 1 teaspoon sugar
- 1 teaspoon salt
- 1/2 teaspoon pepper
- 1 bay leaf
- 2 tablespoons corn starch
- 1/2 cup water

Mix together tomatoes, mushrooms, parsley, sugar, salt, pepper and bay leaf in saucepan. Cook over medium heat, stirring occasionally, about 10 minutes or until mixture comes to a boil. Reduce heat; cover and simmer 20 minutes.

Remove bay leaf. With a spoon, stir corn starch with water. Then stir into tomato mixture. Stirring constantly, bring to a boil and boil 1 minute. Makes 3 1/2 cups.

WHAT'S A HOUSEWIFE TO DO?

BY JULIE FONTAINE

Harm Lurks In Home Chores

We are aware that so many products we use in our normal daily household chores are potentially harmful. Take the new phosphate-free detergents, for instance. Every one is alkaline to a degree. That's why their informative labeling is such a welcome contribution to mothers with small children and their little friends who come visiting. The front panels bear the warning "CAUTION: May Be Harmful To Eyes" or "CAUTION: May Be Harmful If Swallowed." Back or side panels tell us what to do in case of accident.

But we must remember tiny toddlers can't read! These warnings were meant for US! We have been using dangerous substances for years in the form of bleaches, ammonia and other cleaning chemicals. Keeping ALL household cleaning chemicals out of the reach of children is a rule we absolutely must follow for their precious safety and well-being.

Once aware of the hazards, then the routine use of phosphate-free detergents makes even more sense. Used correctly, the wash comes out clean and bright. And, very importantly, our waterways will be just a little less polluted.

THE FAMILY LAWYER

Choosing a New Name

Embarrassed by his "foreign" name, a young man went to court to have it Americanized. But at the hearing, his own parents showed up to protest. In their eyes, he was disgracing his family and denying his past. Nevertheless, the court approved the change. The law, said the court, "does not require a man to perpetuate the surname of his ancestors."

Starkowski Stamm

Unlike fingerprints, names may be changed with comparative ease. One way is to "get yourself known" by a new name. But a speedier, safer way, allowed almost everywhere, is to have the change formally approved in a court procedure.

Generally speaking, you may choose any name you please. However, courts do retain a certain amount of discretion to say no.

The most common reason for a refusal is to prevent fraud. In one case, a man seeking a name change admitted that he had seven unsatisfied judgments hanging over his head. The court turned him down, figuring that he was mainly interested in throwing creditors off his trail. Commercial considerations also blocked another man's attempt to drop his first, "middle, and last names in exchange for a single name. The court said:

"Approval of the use of a single name would cause disruption of official records and complications in our economy, largely dependent on credit of easily identifiable persons."

Occasionally a change will be turned down because it is just too freakish.

Two actresses, paired as a night club team, once applied at the same time for exactly the same name. Under this arrangement, they pointed out to the court, neither one could get any more publicity than the other. They said they wanted to make certain that problems of professional jealousy would never arise between them.

But the judge foresaw so many mixups and complications that he denied their request. He said the two actresses would soon find themselves enacting a real-life "Comedy of Errors."

"You Dirty Crook."

Baseball umpires and football referees take it in stride. But there are times when the cry "You dirty crook!"—or words to that effect—can amount to slander. How the courts look upon such outbursts is a great deal about the law of defamation of character.

Take this case: During an argument at a golf course, one player called another "a lousy crook." The latter filed suit for slander, charging that the epithet had "branded him as a common criminal."

But the court disagreed. At least in this situation, said the court, the words were no more than generalized bluster.

Oliver Wendell Holmes once expressed the law's attitude as follows:

"A word is not a crystal, transparent and unchanged; it is the skin of a living thought, and may vary greatly in color and content according to the circumstances and the time in which it is used."

Accordingly, another court found it was indeed defamatory for a jeweler to say of a rival jeweler that he was "a crook mixed up in some crooked deals."

At the time the comment, made during a business conference, was clearly meant to be taken literally.

Even in a non-business setting, this kind of language may be defamatory. At a club meeting, one of the members denounced the club president as "a cheat and a fraud." In short order, the president filed suit for slander. In a court hearing he pointed out that the remark had been made not merely as a general insult but as a specific comment on his performance in office. The court decided that, since the office was one of trust and honor, the words were weighty enough to support a suit.

"Those words," said the judge, "cannot but impair confidence in the president's ability to hold the office."

MR. AND MRS. DOMINIC SANFILLIPPO

Anniversary Celebrated

Mr. and Mrs. Dominic Sanfillippo of Bay St. Louis and New Orleans were honored with a surprise buffet supper recently at their Boardman Avenue home hosted by their sons, Don, Paul and James and daughter Melanie on the occasion of their 25th wedding anniversary.

Guests were Mr. and Mrs. Hillary Dastugue, Mr. and Mrs. Gene Wise, Mr. and Mrs. Clifford de Loup, Miss Lynda Siben, Mr. and Mrs. Edward Feheny and daughter Bridget, all of New Orleans; Mr. and Mrs. J.C. Shubert and daughter Susan, Mr. and Mrs. Claude Shubert, Miss Peggy Givens, Mr. and Mrs. Charles Scianna and family, Eddie Richardson, Barry Richardson, Miss Jeanne Waterhouse and Mike Summers, of this city.

One reason the dollar buys less is that it has more to buy.

Put Two Fruits in Pie

Sometimes two fruits in a pie are better than one. Blueberries add very special goodness to apple pies. The half cup of blueberries in this Apple Blueberry pie adds subtle flavor goodness and gives the pie an appealing rosy-red color. Corn starch delicately thickens the sweet juices.

Apple Blueberry Pie

Double crust pastry for 9-inch pie
1 cup sugar
3 tablespoons corn starch
1/2 teaspoon salt
5 medium size tart apples, pared, cut into thin wedges
1/2 cup blueberries
2 tablespoons margarine
Mix together sugar, corn starch and salt. Sprinkle bottom of pastry lined pie pan with 1/2 of the corn starch mixture. Cover generously with about 1/2 of the apples and blueberries. Sprinkle with second 1/2 of corn starch mixture. Add remaining fruit, dot with margarine. Make several slits in top crust to permit escape of steam. Cover pie with top crust; seal and flute edge. Bake in a 375° F. (moderate) oven 1 hour or until crust is brown and apples are tender. Makes 1 (9-inch) pie.

Echoes

Mr. and Mrs. Charles Scianna entertained with open house Sunday afternoon at their Felicity Street home for their son Stephen, who graduated from Bay Senior High School Friday.

Mr. and Mrs. Frank Larosa of this city and Mr. and Mrs. Gus Sager of Pass Christian attended the graduation of their granddaughter Cynthia Mary Sager, daughter of Mr. and Mrs. Jim Sager, nee Leberia Bourgeois, May 17 from Marion Abramson High School, New Orleans. Mr. and Mrs. La Rosa also were in Mobile May 25 for graduation of their grandson William James Vrazel from McGill Institute.

Dad's Day Tribute

Make Father's Day an extra-red-letter day by serving Dad's favorite Cherry Pie with crimson fruit filling. A tender corn meal pastry crust gives this pie special man-appeal; its slightly crunchy texture and delicate flavor complement the juicy, tart-sweet filling perfectly. (Be sure to use enriched corn meal for its bonus of vitamins and iron.)

After the last of the steak dinner (Dad's other choice for his day) has disappeared, slice a generous wedge of pie and present to Dad with a mug of steaming coffee. He'll recognize this home-baked treat as a loving Father's Day tribute.

DAD'S FAVORITE CHERRY PIE

Makes 8 servings

Crust:
1-1/2 cups sifted all-purpose flour
1/2 cup enriched corn meal
1 teaspoon salt
1/2 cup shortening
6 to 8 tablespoons cold water
Filling:
2 tablespoons cornstarch
Dash salt

Heat oven to hot (400°F.). For crust, sift together flour, corn meal and salt. Cut in shortening until mixture resembles coarse crumbs. Add water a tablespoon at a time, tossing lightly with fork. Form into a ball. Divide in half. Roll out one half on lightly floured board or canvas to fit 9-inch pie plate. Line pie plate with pastry.

For filling, combine cornstarch, salt and sugar. Add cherries, food coloring and almond extract, stirring just until blended. Pour into pie shell. Dot with butter.

Roll out remaining pastry to fit top of pie. Place over filling; trim, seal and flute edges. Cut slits in top for steam to escape. Sprinkle with granulated sugar. Place immediately in preheated oven (400°F.). Bake 45 to 50 minutes or until bubbly. Cool.

Bake "Nectarine Nut Loaf" one day and start enjoying it the next day. It's one of those very delicately flavored breads that actually tastes better the second day.

Made with mashed fresh nectarines and chopped pecans, the loaf is highly recommended for breakfast or weekend brunch or as a snack at any time. Simply slice and spread with butter for a real "bread-winner."

NECTARINE NUT LOAF

2 or 3 fresh nectarines
1/2 cup shortening
1 cup sugar
2 eggs
1 teaspoon vanilla
2 1/2 cups sifted all-purpose flour
2 1/2 teaspoons baking powder
1 teaspoon salt
1/2 cup chopped pecans or roasted diced almonds

Blanch nectarines, remove peel. Mash enough fruit to measure 1 cup. Cream shortening with sugar; mix in eggs and vanilla. Sift flour with baking powder and salt; add to creamed mixture alternately with mashed nectarines, mixing well after each addition. Mix in nuts. Turn into greased and floured 9 x 5 x 3-inch loaf pan; bake in 350 degree (moderate) oven about 1 hour. Cool in pan 10 minutes; remove and finish cooling on rack. Wrap and store overnight for best slicing. Makes 1 loaf.

Congressional Medal Of Honor Society Cites Bicentennial Chairman

David J. Mahoney, center, Chairman of the American Revolution Bicentennial Commission, is shown receiving the prestigious 1972 Patriots Award from Robert Bush, President of the Congressional Medal of Honor Society of the United States, as Thomas J. Kelly, left, Chairman of the Patriots Award dinner, looks on. The presentation of the award, which acclaims Mahoney's "outstanding contribution" as Chairman of the Bicentennial Commission, took place at the recent gala dinner in New York City's Waldorf Astoria Hotel, attended by more than 1,700 industry, civic and political leaders. In making the tribute address, Bob Hope called Mahoney a "great American" and cited his numerous efforts in the nation's behalf. As President and Chairman of Norton Simon Inc., Mahoney heads up one of the nation's leading consumer goods companies. In his Patriots Award acceptance speech, Mahoney pointed out that Americans must be keenly aware of a "sense of the future" if they are to continue to achieve the goals and ideals which have made the nation great. Mahoney said that the task of the Bicentennial Commission is not to arrange a "big birthday celebration" in 1976 or to set up an exposition displaying our wares. Fireworks and trade fairs are not

Menhaden - By C.H. Lyles, Staff Statistician.

The Mississippi Menhaden Fishery enjoyed a record year in 1971. Although the 1972 season has just begun, most of the firms are optimistic about the season, providing good fishing weather prevails.

As of now, price for menhaden meals is about the same as a year ago. Not much change is expected until the season shapes up a little more. Total U.S. imports of fish-meal were 112,031 tons compared with 62,376 a year ago, or 49,655 tons greater.

Western Union Employees Hold Picnic In Area

The second anniversary of the Retired Western Union Employees Association (Louisiana and Mississippi Local) was celebrated in an all day picnic May 23, at the home of Mr. and Mrs. Anthony J. Natal, Jr., Bay Side subdivision.

A good time was enjoyed by all, and a lot of "shop-tales" were swapped. Mrs. Ann Appolonio, area vice-president of the RWUEA presided at the meeting prior to the fun making. Those attending were Dave and Ruby Davidson; Joe and Hazel Campiso; Freddie and Clare Eiermann; Clifford

and Eve Seymour, Wayne and Romena Dehner, Mary Ducey, Florence DuVernay, Katherine Davis, Eva Forshee, Marie Penski, Lory Penski, George and Archie Diebold, Thelma Gjertsen, Lucille Laborie, Mildred Hale, Evelyn Ohlson and the newest member, retired only four weeks, Sidney Perkins. Any retired Western Union Telegraph employees residing on the coast are invited to attend one of the monthly meetings held on the fourth Tuesday of each month at the D.H. Holmes cafeteria at the Lakeside shopping center, New Orleans.

RECEIVES DEGREE

Mrs. Tunnell Backlund Watts of Albuquerque, N.M., formerly of Waveland, Miss., received an Educational Specialist degree in Vocational Rehabilitation Counseling from Mississippi State University, May 28. Mrs. Watts is also a graduate of St. Joseph Academy (Bay St. Louis, Miss.), the University of Mississippi, and the University of New Mexico.

Mrs. Watts is the daughter of Mr. and Mrs. Clifford Backlund, of Waveland.

ADULT SERIES

A series of discussions for adults (those out of high school) in religious education, beginning with a topic on the liturgy, will be offered for six weeks at 8 p.m. on Tuesdays, beginning June 13. Discussions will be held in St. Augustine Seminary's rectory. For further information call Brother Eric or Brother Roger - 467-7291.

Indian Fair Will Open July 19

The twenty-third annual Choctaw Indian Fair will open July 19 at the Choctaw Reservation near Philadelphia, Mississippi, to begin four days of continuous

Indian-oriented entertainment. Sponsored by the Mississippi Band of Choctaw Indians, this unique gathering will feature opening-day selection of the Choctaw Princess from contestants representing all seven Indian communities on the Reservation. Judging of Choctaw royalty is based on poise, personality and appearance in traditional and contemporary dress. Highlighting the list of daily activities through closing night July 22 will be colorful ceremonial dances and intratribal games of Choctaw stickball, the violent war-setting sport. Continuous entertainment will also be provided by carnival rides, Nashville sounds by top artists and competition in drum and blow-gun categories. In addition to these activities, community and individual exhibits will display beadwork, dolls, native dress, woodcarving, canning, stone jewelry and Indian art. "We hope that everyone who can will come down and join us this year," said Robert Benn, Chairman of the Choctaw Fair Committee. "The twenty-third Choctaw Fair can and will be a week to remember."

KANTCHA KETCHUM
By L.S. (Doc) Elliott
There has been no complaint about the weather for the past week. It has been perfect so far, no nothing only that the tide has been wrong for fly fishing. Fishing all day and not at night. Low at night is good for soft crabs. Floundering is good on a rising tide. Among those who have been catching some soft crabs are John Seafide Jr. and Dotter Blaise and other who we haven't heard about. They have been really scarce but they have got to pack up. Everyone is waiting to go after them. Be a little patient. Floundering has also been out. Tides are out all night. Change of the moon should make a difference. As for speckle trout those going out to the marshes have been reporting excellent catches of big trout. We call them small trout, 3 pounds and up. One boat reported catching over 300 speckles plus some red fish. Went fly fishing all day Friday and caught exactly two green trout. High tide was the cause. Put over at Bayou Cove and went to Malatic Bayou.

Cross Bayou etc. The water was all over the marsh. Salt water fishing up Jourdan River was fair with mostly good size croakers being caught on dead shrimp. Carl Balken Hoffer will verify this. He and his fishing partner made a nice catch Friday. Good size croakers are always good eating.

John Sellers was telling us about Horace Garcia who happens a larist for leaving cattle is as good as throwing a cast net. Horace gets his share of fish by this method. He cuts fish pretty regularly.

We meet a lot of out of State fishermen during our travels. Among those we met recently were William L. Collins and W.G. Schell from Cincinnati and LaPorte, Indiana. Being modest, they said they are mediocre fishermen but you can bet they got their share of fish back home. They were checking to see what is being caught at Pearlington on Pearl River.

Mr. and Mrs. Alfred C. Snyder of Waveland enjoy their fishing. They participate in other sports too. They are a young couple with a long way to go in enjoying outdoor life.

Met Mr. Lamar Otis and Son Henry at Ray Barker's camp at Pearlington first looking fishing things over. Mr. Otis said he hasn't fished since 1966 but is thinking about starting again. It's good for what ails you, Mr. Lamar.

Another fisherman down from Cincinnati was Harold E. Schultz. Harold was the guest of John Seafide, Sr. and yours truly. Did some fly fishing while down South. He is with the General Electric Company.

Was a pleasure meeting Hugh Miller, an old time fisherman and hunter. Hugh did hunting and fishing with Harry Roman a while back.

Eddie Moring was here Saturday taking Abbe and David out fishing. He enjoyed it as much as the kids. Didn't get the total of the catch.

Pat Griffith, John Gennin and yours truly made a nice catch of perch and green trout at Ingtown Friday. The water was good and the fish were hitting late in the afternoon. Flashed to about 8 p.m., thanks to day light saving time.

Mac McVillough hasn't been able to fish lately but said the urge to go is mounting daily. They are hitting pretty good now Mac.

R.I. Still of Pearlington is getting in a lot of fishing now-a-days. Pearlington is a mighty good place to catch perch and bass most any old time. Fly fishing, trotting and even still fishing is good right now with perfect water even where.

share of salt water fish down Cedar Point way lately. Fishing off the seawall usually pays off.

Wish to correct a letter published in this column a couple of week ago regarding Crawfish, Louisiana. The first letter was wrong. Non-residents do need a license to catch Crawfish in that State. The letter below is self explanatory.

Louisiana Wild Life and Fisheries Commission May 29 1972
Mr. L.S. Elliott
304 South 2nd Street
Bay St. Louis, Mississippi 39520

Dear Mr. Elliott:

Reference is made to my letter, dated May 8, 1972 in reply to your request for information, dated May 4, 1972,

regarding the license required for crawfish in Louisiana by residents and non-residents. Since writing my reply to you, I have learned that there is a recent ruling imposing a license fee on non-residents who are fishing for crawfish in Louisiana; however, there is still no license required for the residents of Louisiana while fishing for crawfish. The non-residents will be required to obtain a non-resident fishing license at a fee of \$6.00 annually or \$3.00 for a seven consecutive day trip.

For further information on the Louisiana hunting and fishing regulations, enclosed here with is a brochure on same.

With best wishes, I am

Sincerely yours,

Harry E. Schafer, Jr., Chief
Oysters, Water Bottoms and Seafoods Division

According to the above letter non-residents who want to catch crawfish in Louisiana must have a Louisiana fishing license to catch Crawfish (Crawfish).

Just to show what protection will do Alligators have been protected since 1965. It was unusual in those days to see an alligator while fishing. Now after years of protection Alligators are numerous. We see them on most every trip out. Plans we think are in the making to release the laws on catching Alligators.

Sheldon Sezenear and Cecil Powell caught 47 speckles

weighing 2 pounds and up. They were caught at Pole Cat Bend near the Rigiolet.

Let's get a little more Boy Scout conscious. Things are happening right here in Hancock County. The new Boy Scout Incampment will be near Necaise Crossing to allow our boys and those from Louisiana to enjoy camping to the fullest extent. There will be a District Round table meeting 7:30 p.m. at the American Legion Post 138 Home, June 14. Attend and find out what's going on. The boys need the men and the men need our boys. You can do something to help a good cause.

John Scalfie, Jr. and John Genin are home from Ole Miss, on vacation. Fishing, so-

crabbing, floundering and bream. Still fishing is at it's frogging are taking up most of best right now.

Jehovah's Witnesses Schedule Conventions

The Watchtower Bible and Tract Society of New York has finalized plans for 59 district conventions of Jehovah's Witnesses for 1972 in the United States.

Convention officials revealed in New York that the Municipal Auditorium in Mobile, Alabama has been selected as one of the sites, July 6-9.

Alvin L. Franck, convention manager, said 1,000 delegates are expected from the Southern Mississippi and South-Eastern Louisiana vicinity.

Franck said other conventions are scheduled for the Bayfront Center in St. Petersburg, Florida, July 13-16; and Barton Coliseum in Little Rock, Arkansas, July 13-16.

John L. Hughes, presiding minister of the Bay St. Louis, Miss.—congregation of Jehovah's Witnesses, said the four-day convention will stress the importance of spirituality

in an age of materialism.

"The world is under great stress," he said. "Daily the news media reports on revolution, anarchy, pollution, war, crime, disease and death."

"Jehovah's Witnesses feel that there is a definite drift away from the Bible," Hughes continued. "This convention will place the Bible in its proper place. It is not simply an accurate historical record and a good collection of prose and poetry. It is a book detailing God's standards by which men should live including worship, morals, and our dealings with others."

Hughes said the theme of the convention is "Divine Rulership" and the program's composition of lectures, symposiums, dramas, and discussions will center on the need for Divine intervention for man to have peace and life.

Hughes said approximately 6,000 delegates will represent Bay St. Louis at the convention.

SUMMER FUN FOR WAVELAND SMALL-FRY. Summer Story Hour time in Waveland will be at 10:00 a.m. every Monday at the Waveland Public Library. Mrs. Mildred Means, Waveland Librarian, invites all preschool and elementary school children to come to the Story Hour every Monday during the summer. Children in grades 1 through 6 are also invited to participate in the Summer Reading Program. The Waveland Public Library is located in the Waveland City Hall and is open from 10 to 6 Mondays and Fridays.

Bourgeois Receives Degree

Ray Michael Bourgeois, son of Mr. and Mrs. Michael R. Bourgeois of Atlantic Beach, Florida, graduated from the University of Mississippi June 4. He is the grandson of Mrs. Lydia Bourgeois and the late Alfred Bourgeois of Waveland.

On June 4 he will also receive his commission as 2nd Lt. in the U.S. Air Force. He received the Air Force Scholarship Award, the American Legion Gold Medal for Military Excellence and the Air Force Times Award for outstanding Senior Cadet. He is a member of Arnold Air Society and Scabbard and Blade, both military honorary organizations.
